RE: Clean Air Act NSPS and NESHAP Compliance Reporting and Notifications

Dear Sir/Madam:

This letter is to request that REGENCY FIELD SERVICES LLC, SUNRAY GAS PLANT no longer submit courtesy copy annual and periodic compliance reports, notifications, or related correspondence to the Environmental Protection Agency (EPA) Region 6 for delegated Part 60 New Source Performance Standards (NSPS), delegated Part 61 National Emission Standards for Hazardous Air Pollutants (NESHAP), or delegated Part 63 NESHAP regulations. In accordance with delegation agreements between EPA and the State of Texas, EPA Region 6 has waived receipt of these reports and notifications.

EPA will continue to receive compliance reports, notifications, and other required documents for those regulations not delegated to the State of Texas. To view the lists of federal air rules delegated to the State of Texas, please go to the *Compliance Assurance and Enforcement in Texas* web page at <https://www.epa.gov/tx/compliance-assurance-and-enforcement-texas>, and click the links for NSPS 60, NESHAP 61, or NESHAP 63. To view the Texas state delegation Federal Register notices, and click the link for Delegation Documents for State of Texas, <https://www.epa.gov/tx/region-6-delegation-documents-state-texas-0>.

If you have any questions regarding this determination and request, please contact Margaret Osbourne of the Air Enforcement Branch at (214) 665-6508, or by email, [Osbourne.Margaret@epa.gov](mailto:Osbourne.Margaret@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Thompson".
